HALF A LOOK OF CAIN EBOOKS 2019

Author: William Goyen

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Part fable and part rhapsodic exploration of desire and loss, *Half a Look of Cain* bears Goyen's unmistakable artistic signature on every page. Told as a series of nested episodes, the novel is narrated alternately by a male nurse, his patient, and a lighthouse keeper. As boundaries blur and connections between the men emerge, *Half a Look of Cain* becomes a meditation on communion and alienation, and an exploration of emotional and physical longing. The novel is both a rediscovered cry against the conformity and suppressed emotions of the 1950s and a celebration of passion. Reginald Gibbons has edited the novel from the author's multiple manuscripts and has contributed a wonderful afterword.
