Author: Elizabeth Jarrett Andrew

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

Late one night in a busy St. Paul hospital, a nurse midwife drags Hannah Larson out from behind her reception desk to assist with a birth. When Hannah witnesses that baby tumble into the world, her secure, conventional life is upended by a fierce desire to deliver babies. So begins Hannah's journey away from her comfort zone. In a midwifery apprenticeship in New Mexico, she befriends a male midwife, defends a teenage mom, and learns to trust women's bodies, then moves back to Minnesota to start her own illicit birth practice. Hannah's need to stay safe proves both an asset and a liability: homebirth isn't legal in Minnesota in the 1990's. To deliver healthy babies, Hannah risks jail time, her community's respect, and her career. The key to unlocking her fear rests in one birth---her own. Hannah, Delivered tells the story of how inexplicable passion, buried strength, and professional skill deliver one woman from fear into a rich and risk-filled life.
