YOU BELONG EBOOKS 2019

To our children around the world

Author: Sayeh Dashti

You Belong is a book of oral history and human anthropology and is a memoir inspired by a recorded cassette tape of my mother (Bibi Sediqeh). Listening to my mothers recorded voice and subsequently transcribing her words now as a mature person is enabling me to appreciate the magnitude of each event and fills me with the deepest regret for losing the precious moments when she was alive and present and eager to talk. The stories my mother told over and over were pieces of historypieces of the history of our family, our country, and the world.
