YOU KNOW WHO YOU ARE EBOOKS 2019

Author: Ben Dolnick

A gorgeous novel of family life, *You Know Who You Are* is the story of the Vine family, Arthur, Alice, and their three children. The eldest, Will, is well-mannered and academically driven. The youngest, Cara, is a sweet little charmer. Jacob, the middle child, is less sure of who he is. He's funny, he's impulsive, and he is often held hostage by his urges to make chaos. But when their mother, Alice, falls ill, Jacob begins to experiment--guiltily, nervously--with the special freedoms conferred on the motherless. Following the Vines as Jacob moves through high school, college, and beyond, *You Know Who You Are* is a wise, funny, elegiac novel of moving on, pulling together, and answering that most complicated of questions: who will you decide to become?
